

# Highmount Project

The Whistlepost - April 2018

VOLUME I - 1

## *All Aboard . . .*

### *next stop Highmount /Belleayre!*

That's what we want to be able to announce in the future as the Delaware & Ulster Railroad embarks on a major project to restore our tracks to Highmount and Belleayre Ski Resort.

We have been planning this work for nearly year, as we recognize the importance this part of our railroad is to our community to be able to be a link in the Catskill Scenic By-way.

Bringing this section of our railroad into service once again, will allow us to operate trains all the way from Highmount to Roxbury a distance of 20 miles, and offer our passengers a variety of train rides, with always changing scenery.

## *What will it take for us to restore our tracks to Highmount?*

- ✓ 7,000 – environmentally friendly cross ties; treated with “Copper Naphthenate”
- ✓ 28,000 – new rail spikes
- ✓ 2,000 – tons of stone ballast

And lots of hard work and dedication by the team at the Delaware & Ulster Railroad

We are committed to making the Delaware & Ulster Railroad a major scenic railroad and tourist destination in New York State.

*Get Ready to Climb – On Board!*
